**FLEX POWDER WITH CITRUS SOLV** is a heavy duty carpet prespray designed for use in the Hydro-Force injection sprayer and other types of pump or electric sprayers. Best results are obtained when mixed with hot water.

- A HOT, ultra concentrated, Citrus Solv enhanced, high alkaline prespray for carpets needing a restoration cleaning.
- Starts to work on contact and dissolves grease and oils in minutes and is the ideal choice for any restorative cleaning job.
- Economical by costing only pennies per diluted gallon.
- Dissolves faster than any other powder you have ever used. It is suitable for use in the Hydro-Force sprayer and easier to dissolve at that strength.

- Uses the cleaning strength of Citrus Solv and leaves the fresh natural orange scent behind.
- Less foamy than typical high pH presprays.
- Use as a booster to create an aggressive prespray out of any typical prespray.

#### DIRECTIONS:

**Pump or Electric Sprayers** - Dilute 1 scoop (2 ounces) of Flex Powder with Citrus Solv per gallon of hot water for most soils. Use up to 2 scoops (4 ounces) of Flex Powder with Citrus Solv per gallon of hot water for extra heavy soiling conditions.

**Hydro-Force Injection Sprayer** - Dilute 8 scoops (16 ounces) of Flex Powder with Citrus Solv per Hydro-Force container of warm water. Dilute at 1 to 8 setting.

**Application** - Spray on traffic areas of carpet until evenly damp. Allow to dwell for 5-15 minutes. Extract with normal cleaning process.

**Booster** - Add 1 scoop (2 ounces) to ready-to-use gallon to create General Purpose Degreaser out of any typical prespray.

**CAUTION:** May cause skin and eye irritation. Avoid contact with skin and eyes. Wear eye protection and gloves when mixing. Wash thoroughly after handling.

**FIRST AID:** In case of skin or eye contact, immediately flush with plenty of water, get medical attention if irritation persists. If inhaled get medical attention - do not induce vomiting.

**CONTAINS:** Sodium Carbonate (CAS # 497-19-8), Sodium Tripolyphosphate (CAS # 7758-29-4), Sodium Metasilicate (CAS # 6834-92-0), Non-ionic Surfactant, Delimonene (CAS # 5989-27-5)

**PRECAUCIÓN:** Manténgase fuera del alcance de los niños. Puede causar irritación de la piel y de los ojos. Evite el contacto con la piel y con los ojos. Utilice guantes y protección para los

ojos al mezclar el producto. Lávese cuidadosamente después de haber tocado el producto.

**PRIMEROS AUXILIOS:** En caso de que ocurra contacto con la piel o con los ojos, lávese inmediatamente con abundante agua. Obtenga atención médica si la irritación persiste. Si se ingiere, obtenga atención médica.

#### FLEX POWDER WITH CITRUS SOLV

May cause skin and eye irritation. Avoid contact with skin and eyes. In case of contact, immediately flush with plenty of water, seek medical advice if irritation persists.
