- X Upholstery

RTU pH: N/A X = Primary Use ✓ = Secondary Use

A gel for use on carpet, upholstery and hard surfaces. Ideal for chewing gum, tape residue, tar, oil, urethane and other adhesives like epoxy glue.

*For professional use only.
Keep out of reach of children!*

Before using, read all cautions and directions!

Contents: One U.S. Pint (0.47 Litres)

GEL BREAK ADHESIVE REMOVER is gel based, designed to remove gum, glue, tape residue, and other contaminants that adhere to carpet, upholstery and hard surfaces. Always pre-test in a small inconspicuous area for safety and compatibility with the fabric or surface. Shake well before using.

DIRECTIONS:

1. Remove loose or excess residue.
2. Apply Gel Break Adhesive Remover full strength to the adhesive or gum. Avoid over-application.
3. Agitate Gel Break Adhesive Remover into area with any hand held implements like GUM-GETTER or bone scraper. Poke into the contaminant surface to allow the Gel Break to penetrate.
4. Allow to dwell for 3-5 minutes.
5. Blot or scrape up excess Gel Break Adhesive Remover along with any adhesive or gum that has been loosened. Repeat steps 2-5 if necessary.
6. Blot and rinse the area thoroughly, using extraction equipment and clean water.
7. Mist Spot Stop on treated areas. Brush Spot Stop to both align the fibers and evenly distribute the product.

CS05PT

CAUTION:

COMBUSTIBLE. Keep away from heat or open flame. Avoid contact with eyes. Wear rubber gloves when using this product. This product may be harmful to some plastics, painted surfaces, carpet and fabric backings. Test before use. In case of contact with eyes, immediately flush eyes with plenty of water. If irritation persists, contact a physician. Prolonged contact with the skin can cause irritation. If contact with skin occurs, wash thoroughly after use.
