ODORx Last Resort

Add this when nothing else works. Powerful solvents and deodorants help destroy even the most severe odors including putrefaction, skunk odors and sewage. Recommended for use as an odor control booster in heavy or severe situations. For use as an additive only.

FEATURES

- **ADDITIVE USE ONLY.** Use only with ODORx Liqui-Zone or 9-D-9.
- Highly concentrated solvents and odor control essential oils that overcome the most obnoxious malodors.
- Tackle dead body or skunk odors on colorfast structural surfaces.
- Treats and seals smoke damaged structural surfaces.
- Highly concentrated: do not exceed recommended concentration rates.
