

Odor Rescue

Removes odor and stains with the power of oxygen

FOR PROFESSIONAL USE ONLY

Powder formulation for safer handling and longer shelf life

APPLICATION: Odor Control, Stain Remover

DESCRIPTION

Odor Rescue is a powerful odor and stain remover that chemically modifies and deactivates odor and stain-causing soils using a potent blend of color-safe oxidizers, surfactants and detergents. Decontaminates and eliminates urine, feces, vomit and trauma scene remediation-related odors and stains. This concentrated quick-dissolving product is low foaming, has a light, fresh scent, and is recommended for use on synthetic carpet fibers and other water-cleanable colorfast fabrics.

FEATURES

- Removes odors from synthetic carpet and fabric
- Color-safe oxygen bleach removes stains
- Effective detergent additive
- Chemically modifies offensive odors

WHERE TO USE

Removes tough odors and stains from synthetic carpet and other colorfast, water-cleanable fabrics.

USE DILUTION:

Pump Sprayer: 4 – 6 oz. per gallon
Portable: 1 oz. per 5 gallons
Truckmount: 1 lb. (2 cups) per 5 gal. truckmount conc.

USE DIRECTIONS:

Always pre-test carpet or fabric for colorfastness in an inconspicuous area before using. Do not overuse.

Deodorizing and Stain Removal: For general-purpose deodorizing and stain removal, mix 4 to 6 oz. Odor Rescue per gallon of hot water (over 120°F). Stir until completely dissolved.

Treat stains and odors using a pump sprayer, completely wetting the affected areas. Allow 30 minutes dwell time, then rinse/extract with a detergent or rinse suitable for the carpet or fabric. Check for any remaining odors and repeat as necessary.

Truckmount Use: To deodorize and freshen while cleaning, add 1 lb. (2 cups) of Odor Rescue to 5 gallons of hot truckmount cleaning solution. Stir solution until completely dissolved.

Portable Use: Add 1 oz. of Odor Rescue to 5 gallons of hot cleaning solution in portables, to deodorize and brighten while cleaning.

USAGE TIPS:

- Dissolve Odor Rescue in hot water (over 120°F).
- Remove as much surface soil or urine residue as possible from stained areas with extraction or spotting, before treating stains and odors with Odor Rescue.
- Not for use on wool, silk, leather, or carpet where stain-resistance is to be maintained.
- Test for colorfastness in an inconspicuous area before use. Can cause color loss in some delicate fabrics.
