

FLUOROSIL® ODOR NEUTRALIZER

Available in a variety of pleasant scents and meets specifications for use on stain-resistant carpet

FOR PROFESSIONAL USE ONLY

Effective, long lasting odor control

APPLICATION: Odor Control

DESCRIPTION

Prochem Fluorosil Odor Neutralizer is a professional deodorizer product for both routine odor control as well as tough fire and flood restoration problems. This versatile, mild-pH, non-ionic blend of odor counteractants, pairing agents and masking agents meets the specifications for use on 5th generation stain resist carpet and can be safely used on most hard surfaces such as tile, stone, vinyl floors and walls. Fluorosil Odor Neutralizer can be used as an additive and it is compatible with most cleaning pre-sprays and extraction solutions or can be diluted and used as a post-mist after source removal and cleaning. Formulated for residential, commercial and restoration use, and effective enough to neutralize offensive pet and body odors as well as water, fire and smoke damage odors.

FEATURES

- Professional deodorizer handles tough odors
- Pleasant scent for routine odor control
- Five scents to choose from: Floral, Citrus, Cherry, Tropical Breeze, and Apple Orchard
- Tough enough to handle fire and flood restoration
- Removes odors from carpets, floors, walls, other odor sources
- Meets specifications for use on stain-resistant carpet

WHERE TO USE

Routine deodorizing: Food spills, garbage odors, animal odors, mold and mildew odors.

Restoration deodorization: Smoke and fire odors, mold and mildew odors from floods and sewage backup. Use before, during and after restoration to control odors.

HOW TO USE

Pre-test: Pre-test in an inconspicuous location area.

Routine deodorizing: Mix ½ to 1 ounce per gallon of water.

Fire and flood restoration: Mix 1 to 2 ounces per gallon of water, depending on severity of odor.

Deodorizing: Apply directly onto the odor source, allow dwell time for effective deodorization. May be used before cleaning for initial odor reduction, or for residual deodorization after cleaning has removed the odor source.

Tip: Compatible with most detergents for deodorizing while cleaning.

Add ½ ounce per gallon of detergent solution

Add 6 ounces to 5-quart injection sprayer

Add 1 quart to 5 gallons of truckmount concentrate.

ODOR TARGET SUGGESTIONS:

All fragrances of Fluorosil Odor Neutralizer have the same active odor neutralizing effectiveness and may be used interchangeably according to your customer's fragrance preferences. However, psychological studies have shown that some fragrances are more effective in covering certain odors while the odor neutralizer ingredients work on the underlying odor.

Floral: Residential properties for a warm homey feel

Citrus: Commercial properties for a clean, professional atmosphere

Cherry: Fire and smoke odors, restroom odors

Tropical Breeze: Food and beverage odors; restaurants, lounges

Apple: Body odors, sweat, vomit; gyms, frat house, apartments, rentals
